The INGOT 1980

What is an ingot?

It is:

1. A mass of metal shaped for convenience in storage or transportation.
2. A casting mold for metal. (Middle English, ingot, mass of metal, "Something poured into (the mold)"; in, i n + Old English *gotin*, past participle of geotan, to pour, cast in Metal.)

This is an ingot as defined in the dictionary. To us at Granite City High School/ North, the term, Ingot, has a similar meaning.

Our yearbook is an *Ingot*, in the sense that the raw ore of school activities is taken by the yearbook staff and processed so as to make North's operation intelligible to the reader. Envision, then, a smelting operation, whereby the activities of the administration, faculty, student body, and other personnel, are analyzed, and finally formed into a convenient shape for reference and future storage.

The *Ingot* is a casting of the educational experience at North, fired by the energies of the young men and women who will soon become the mature steel of our society—steel of the finest temper and quality!

SUPERINTEN-DENT OF SCHOOLS

Mr. B.J. Davis was born on March 23, 1931, in Springfield, Missouri. He attended Southwest Missouri State and received a B.S. in Education in 1952. After teaching Social Studies and Driver's Education from 1955-1958, he received his masters in Education Administration. He then served as an Elementary Principal at Mexico, Missouri. In 1960 he became a principal at a Junior High School in Granite City. He was appointed Assistant to the Superintendent in 1965, and in 1966 he became Superintendent of School District #9.

Mr. B.J. Davis

Mr. Frank Kraus

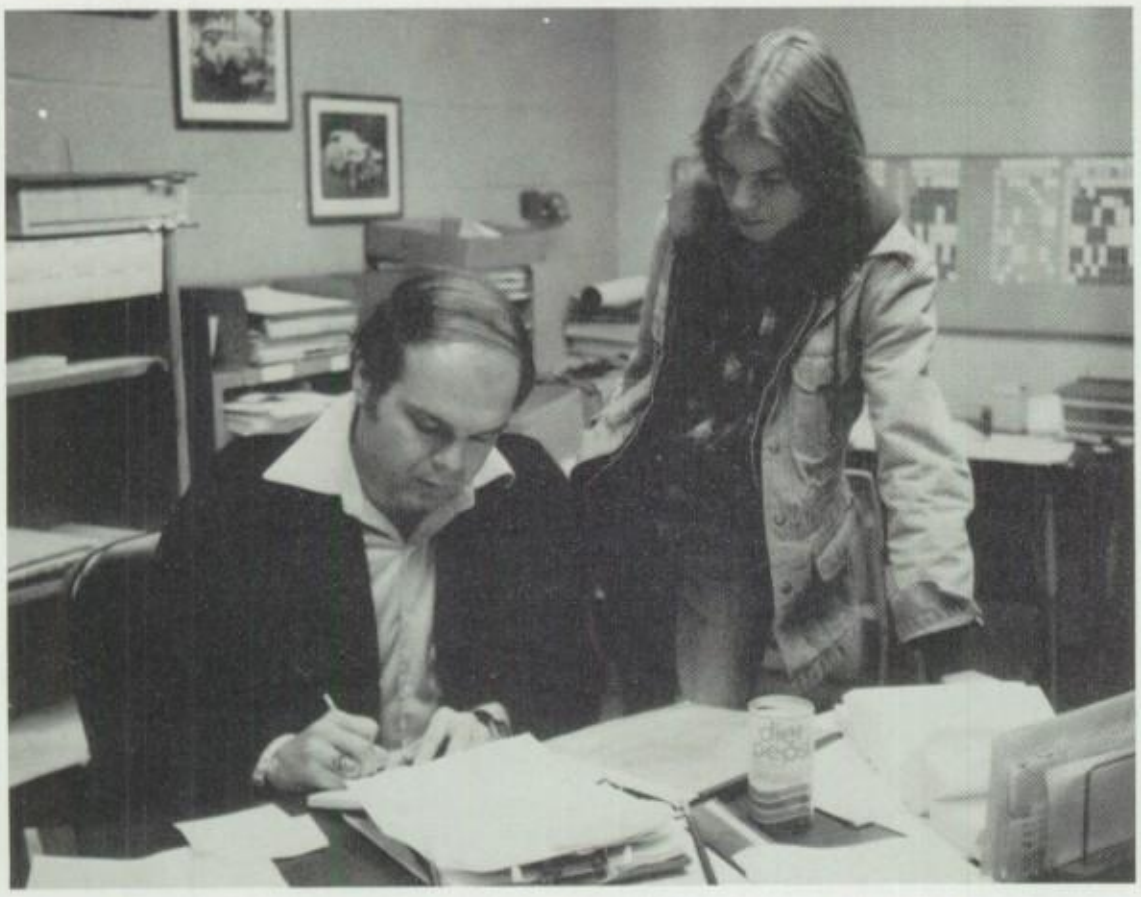
ASSISTANT SUPERINTENDENT

Mr. Frank Kraus was born in Granite City. He graduated from Granite City High School/South in 1948. He served in the Air Force from 1951-1953, and then became a faculty member and coach at Lawrenceville, Illinois, followed by a period as a teacher, Assistant Principal, and Principal at Coolidge Junior High School here in Granite City. He received a B.S. degree in 1957 from Southern Illinois University, Carbondale, and his M.S. from Indiana State University. In 1967 he became the Assistant Superintendent for Community Unit District #9.

Administration And Faculty

Gilbert V. Walmsley, Principal

Mr. Walmsley, the Principal of North High School, has had a varied background as Production Foreman at Olin-Matheson in East Alton, Illinois, and as a teacher at Roosevelt High School, St. Louis, in Industrial Arts. He has taught Industrial Arts and Driver's Education in Granite City, and he has served as a Guidance Counselor and Assistant Principal of Prather Junior High School. He became principal of North High in 1973. Mr. Walmsley prides himself upon an "open door" policy with the student body and faculty of North. He believes that North High was created to serve the students and parents of the community and he strives to operate the school with that thought in mind. We wish his continued success in that endeavor.



Terry Salem: B.S., Eastern Illinois University, M.S., Southern Illinois University

Mr. Salem is primarily responsible for the orientation and registration of students. He supervises the collection of grade reports and is in charge of distribution of report cards. He is in charge of evaluation and supervision of counselors, the nurse, and special education classes. Mr. Salem develops and supervises such programs as graduation, Senior Recognition Day, and senior meetings. He is also in charge of the administration of the summer school program.

Assistant Principals

Victor Buehler: B.S., M.S., Illinois State University

Mr. Buehler deals directly with students, handling attendance and disciplinary problems. He assists in making teacher observations and with student activities. He is also responsible for the buses and any other work assigned by Mr. Walmsley.

THE SPIRIT OF YESTERDAY, TODAY, AND TOMORROW

YESTERDAY . . . Things we have cherished and kept in our memory to look back on . . .

TODAY . . . New beginnings and promises, victories, smiles . . .

TOMORROW . . . Something we wish for and look ahead to, prayers, new hopes . . .

SENIORS ARE PROUD!

Whatever form they take,
Whichever path they choose,
Our Seniors will be remembered
Through memories we'll never lose.

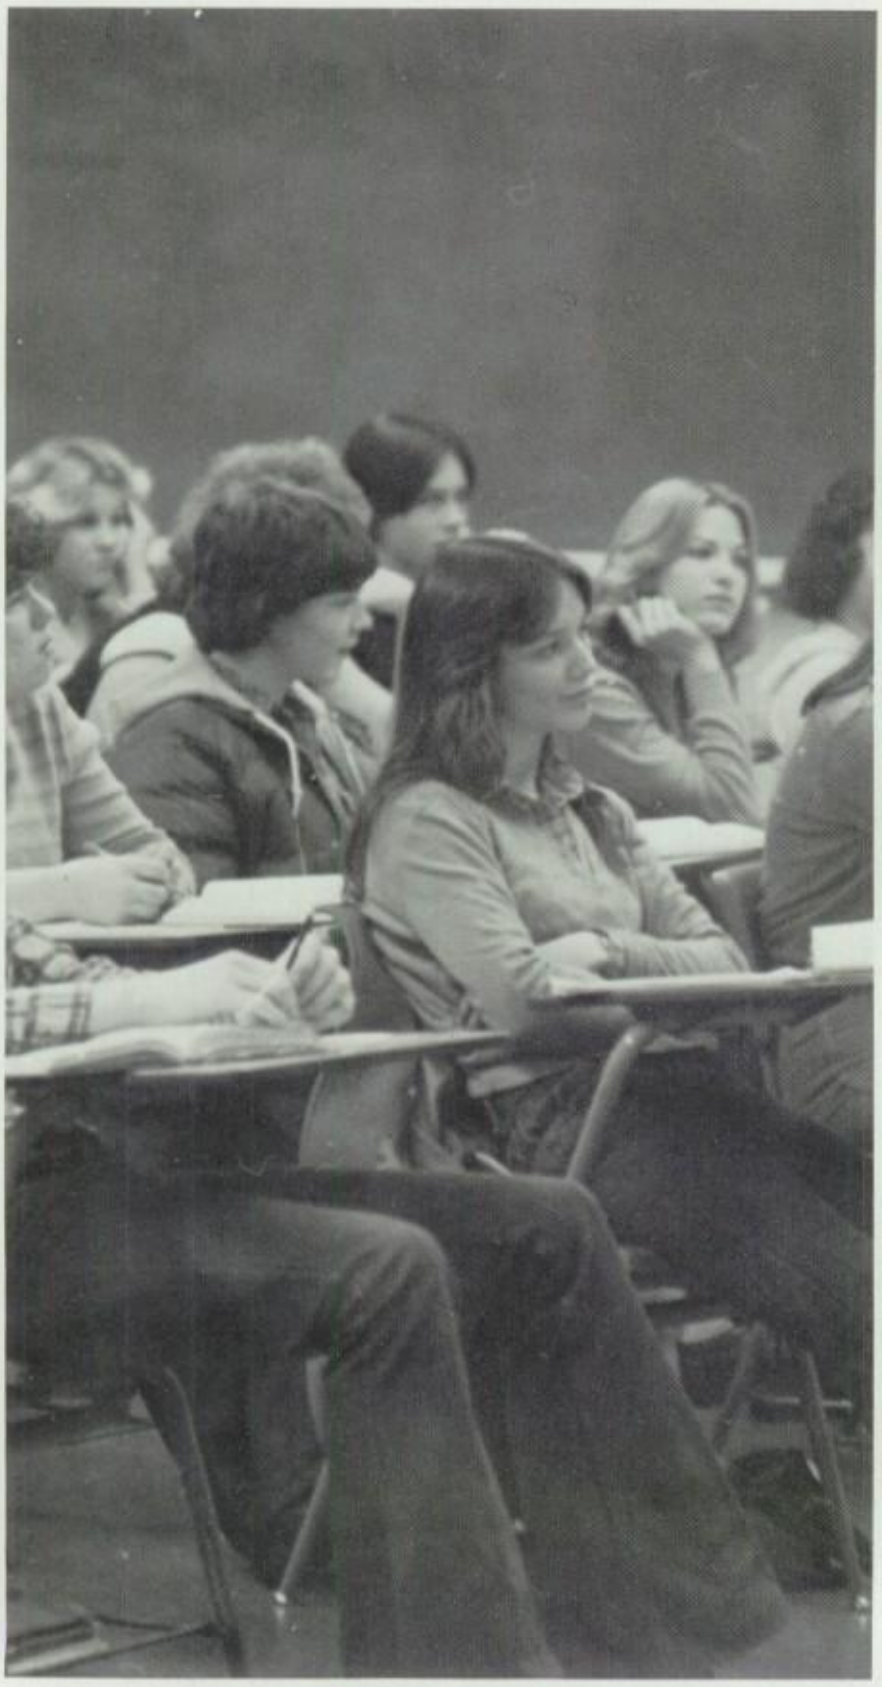
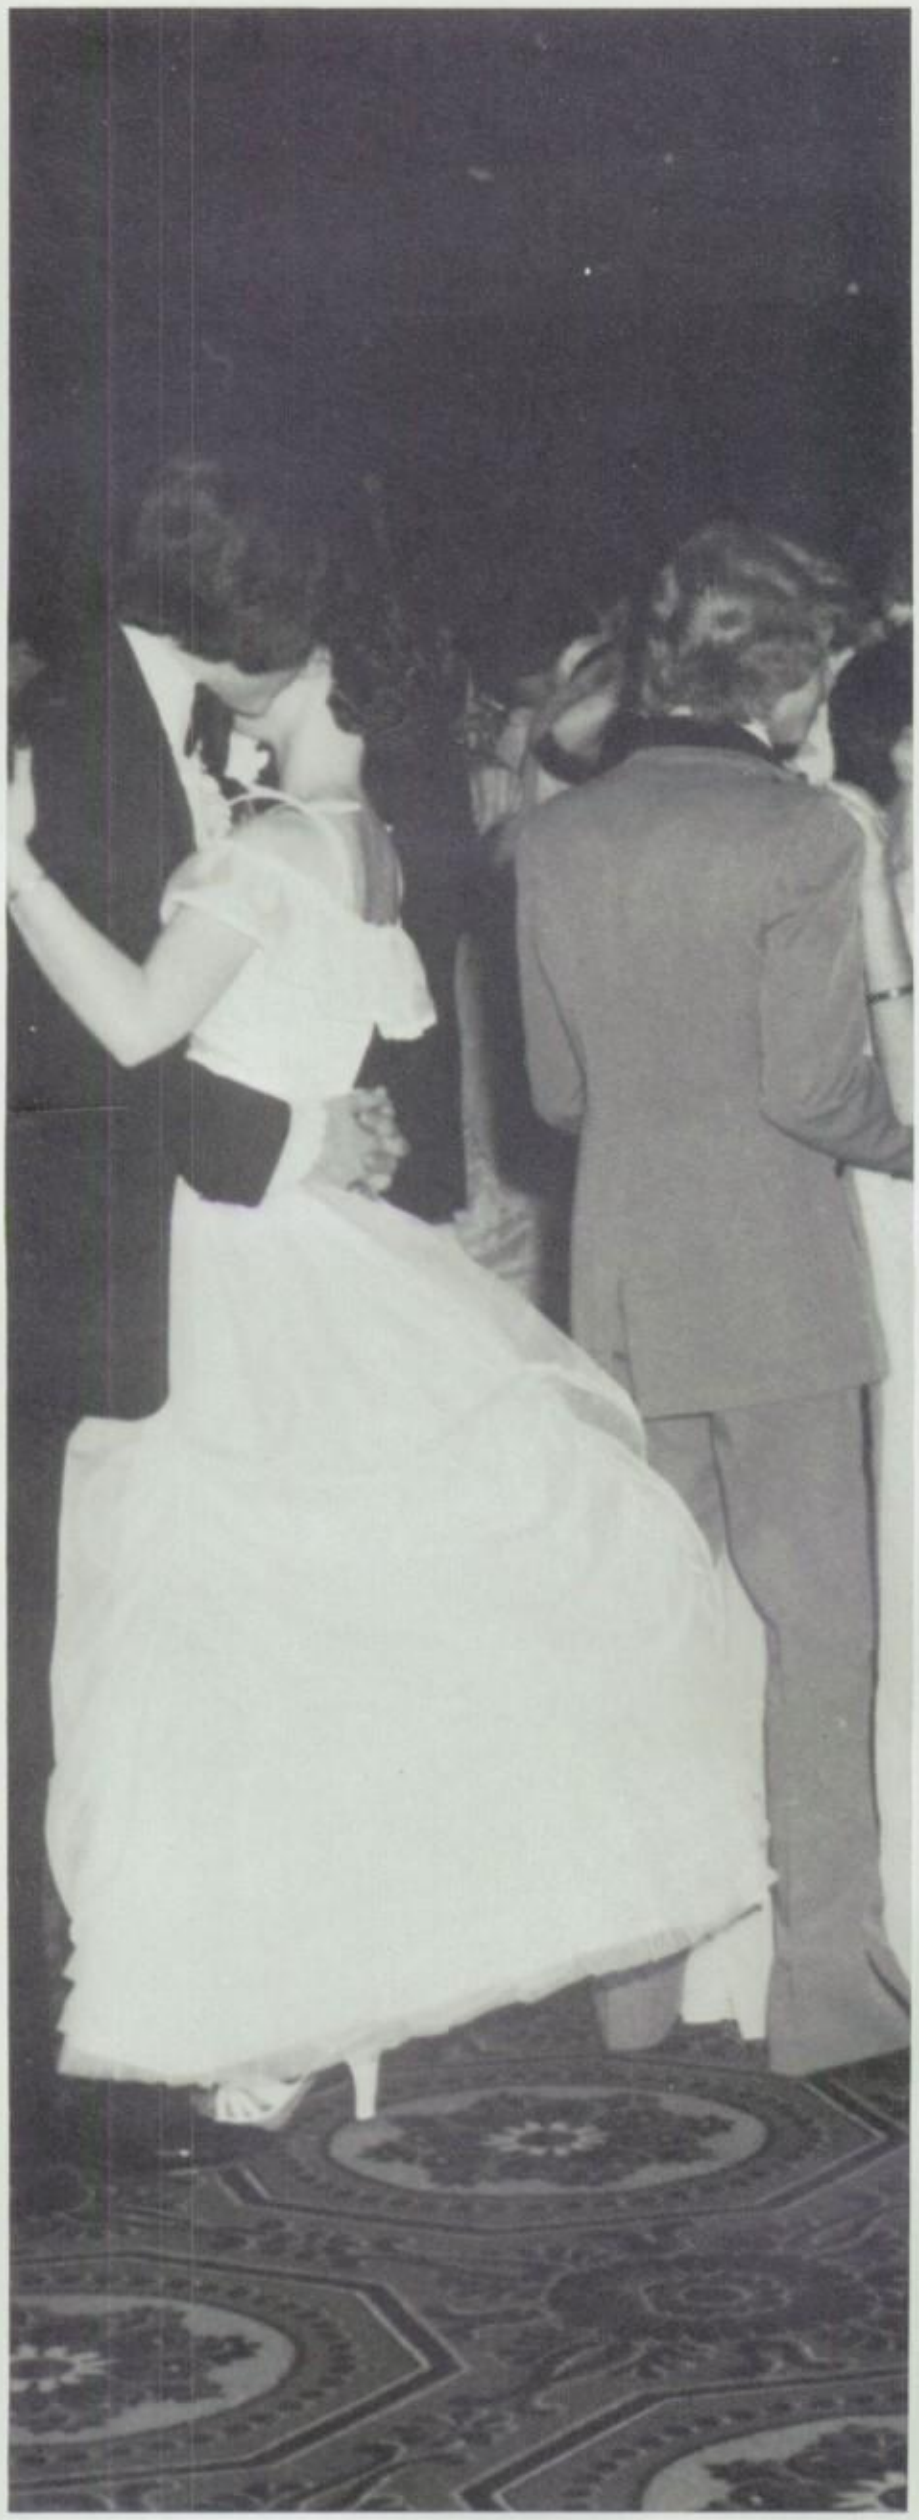
Mr. & Miss School Spirit

Mr. and Miss School Spirit are chosen by the faculty for their performance in showing school spirit at sports games and activities. Congratulations to Mark and Marilyn for the fine job they did in supporting Granite City High School North.



Upon these pages
memories are found,
Things past and gone, but
not to be forgotten.



We have shared a year
of the old and the new,

We have come to a crossroads,
the end for a few

Many enter these doors
and many must leave
New experiences await,
the time comes to go—

Though one thing to recall
friends one and all, is that

As we come to an ending
We are ever beginning . . .

Cross Country

The Steeler Cross Country team participated in many major meets in the area. The best showing for the team was a fourth place finish at the Madison County Meet. The team was led by Juniors Bruce DeRuntz and Kerry Schafer. Seniors Alan Huff and Jeff Joyce added leadership and stability to a young Steeler team. The future looks bright for the team.

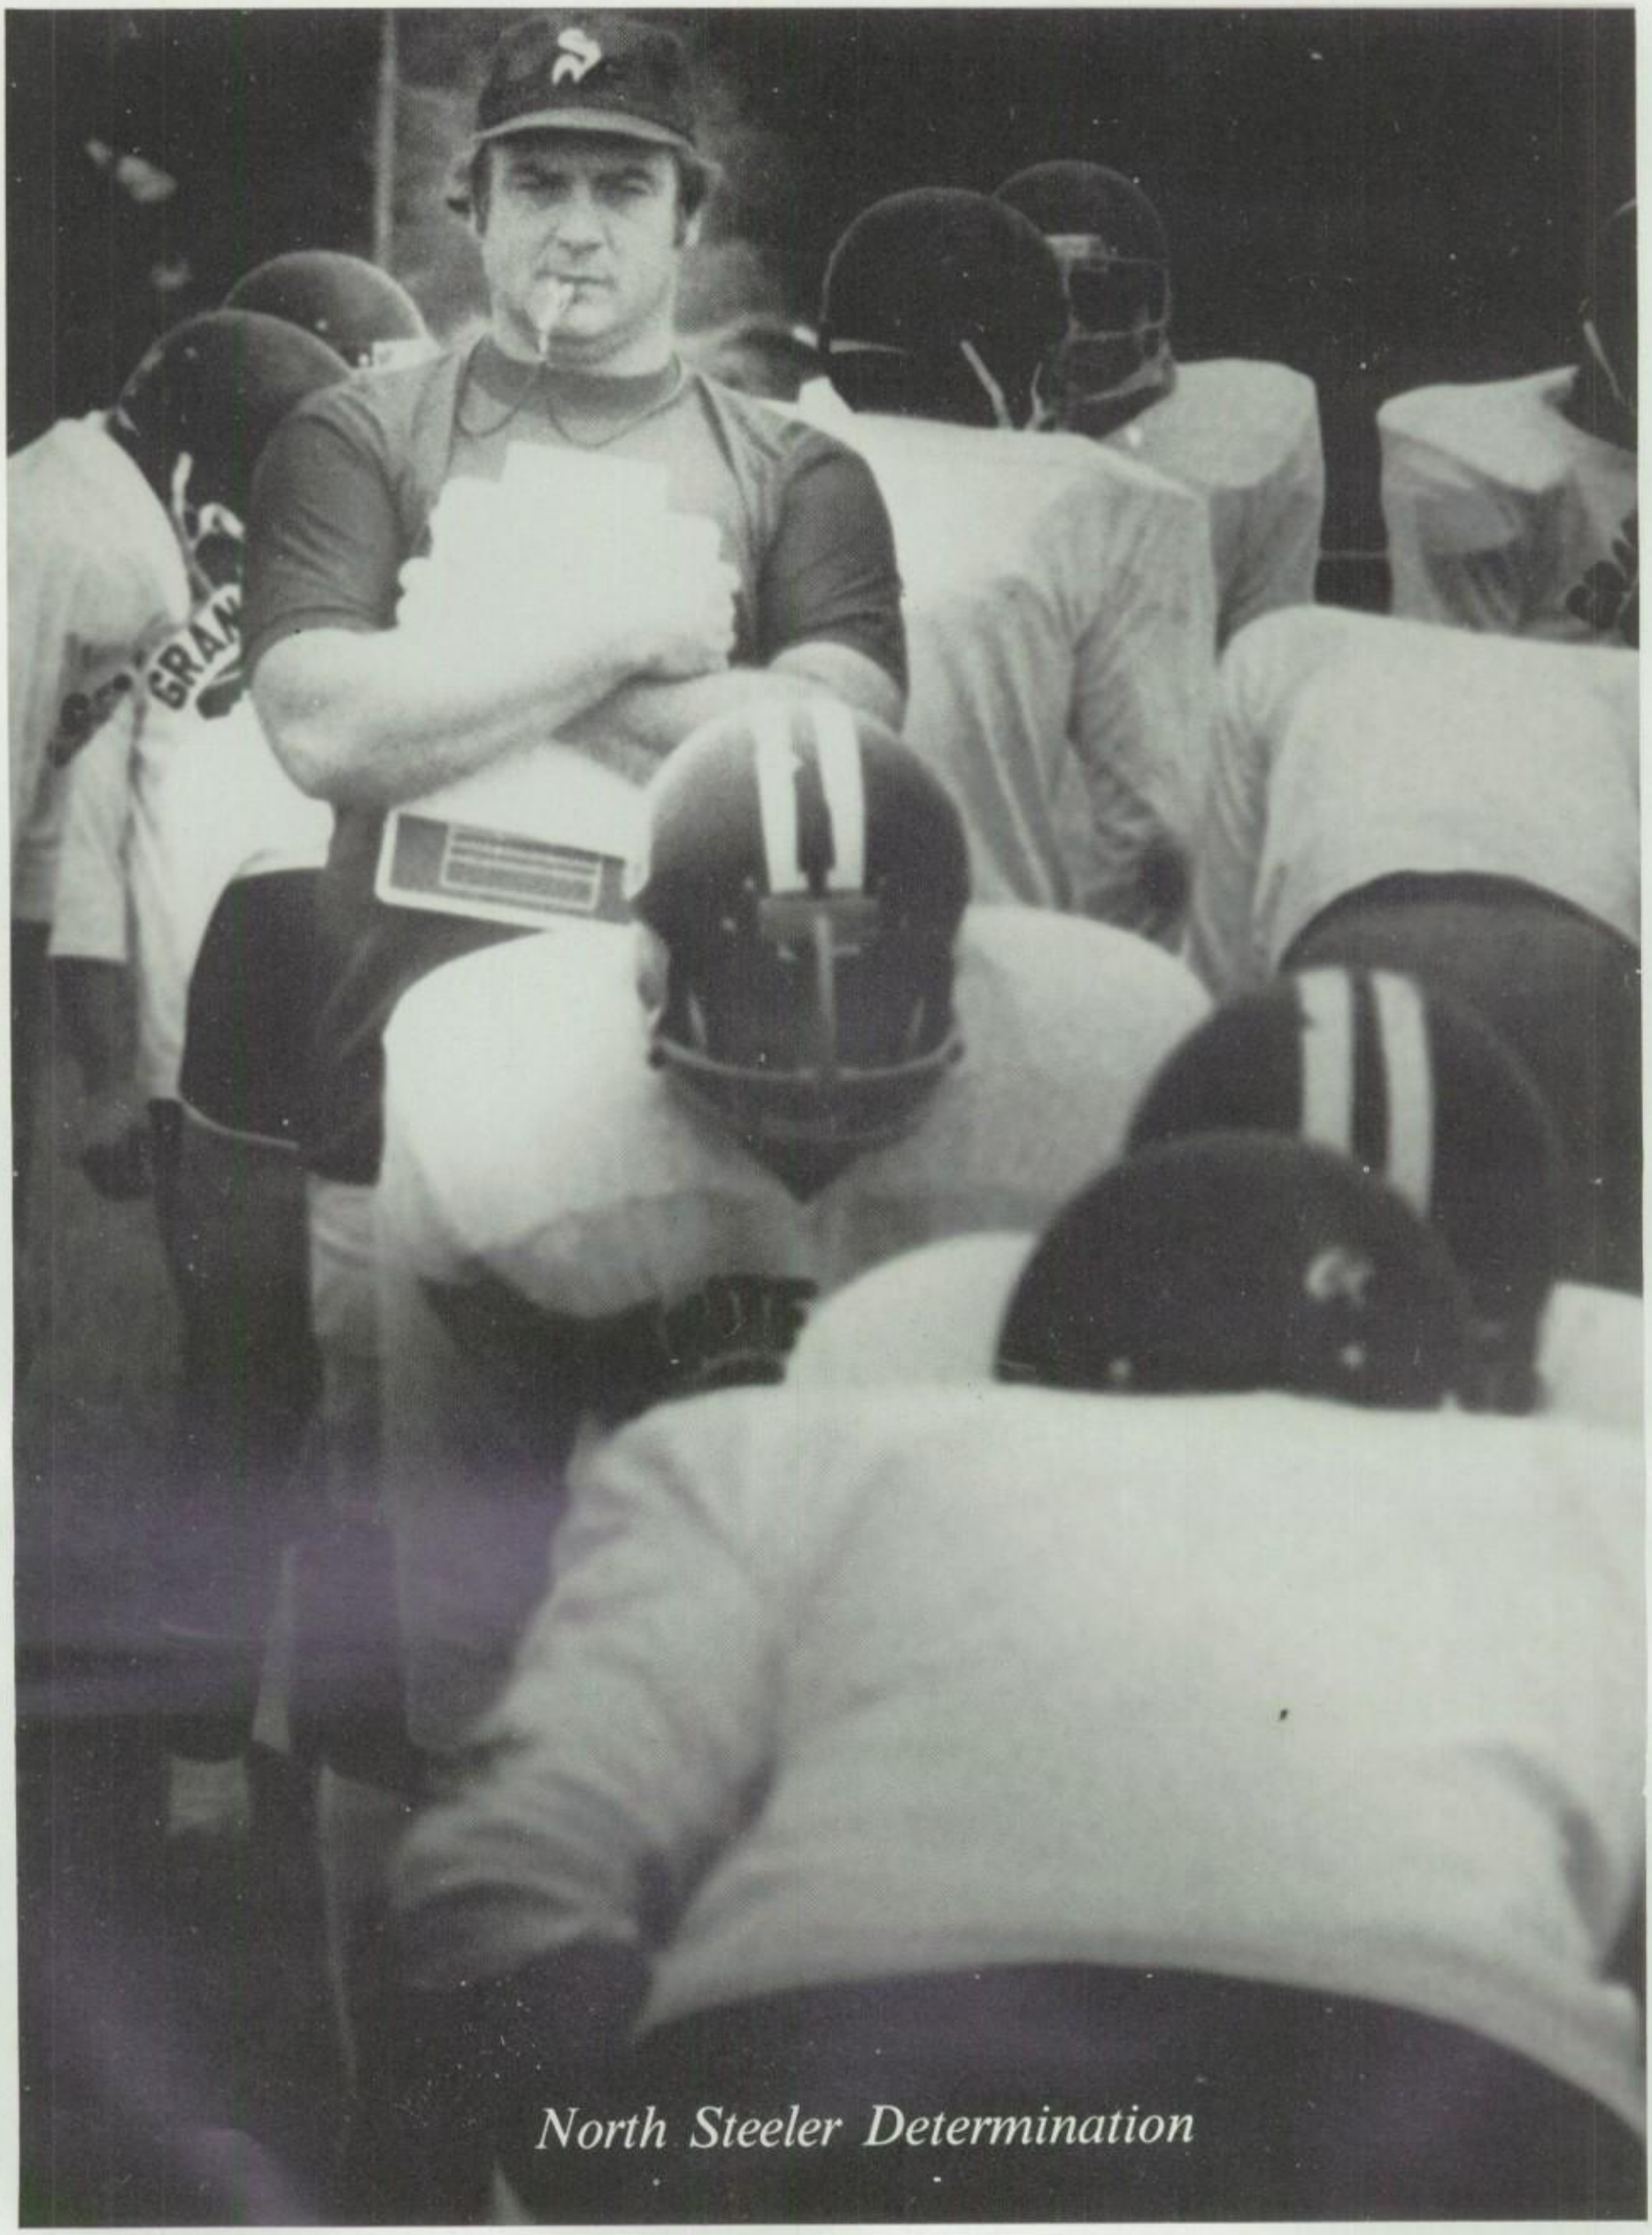
Varsity Steelers on their way to State

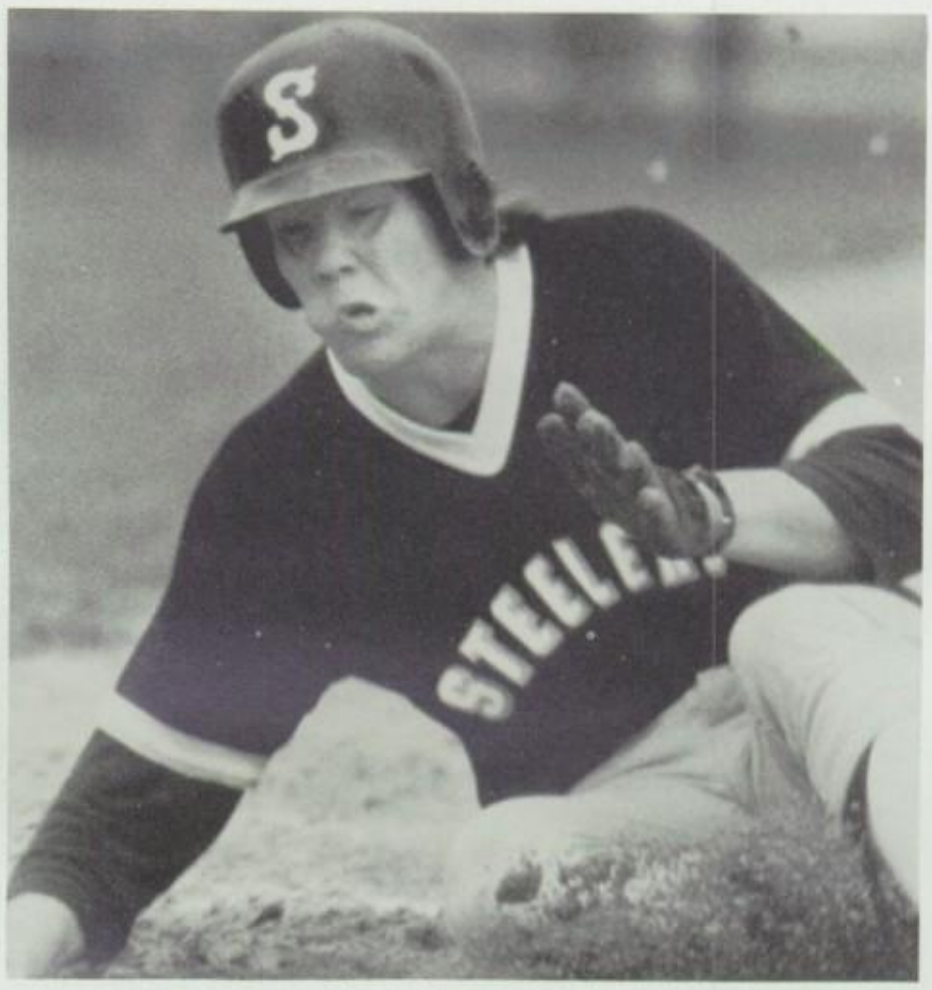
The 1979 Steeler Baseball Team won their first trip to the State Tournament in Peoria by beating Normal Community High School 6-0 in the finals of the Springfield Sectional. The Steelers were paired with Oak Forest in the first game of the State Tournament. Oak Forest's was led by pitcher Tony Bartolomucci, an All State pitcher who averaged nearly 2 strikeouts per inning and less than 1 earned run per game for the season. Oak Forest took the lead in the 3rd inning when they scored twice, but the Steelers tied the game in the fourth. The Steelers scored twice in the 5th inning to take a 4-3 lead, only to have Oak Forest go ahead 5-4 in the bottom of the 5th. In the 7th inning, the Steelers had the tieing run on base but failed to score. In spite of losing, the Steelers' coaching staff was proud of the way the team competed and of the class the players showed in defeat.

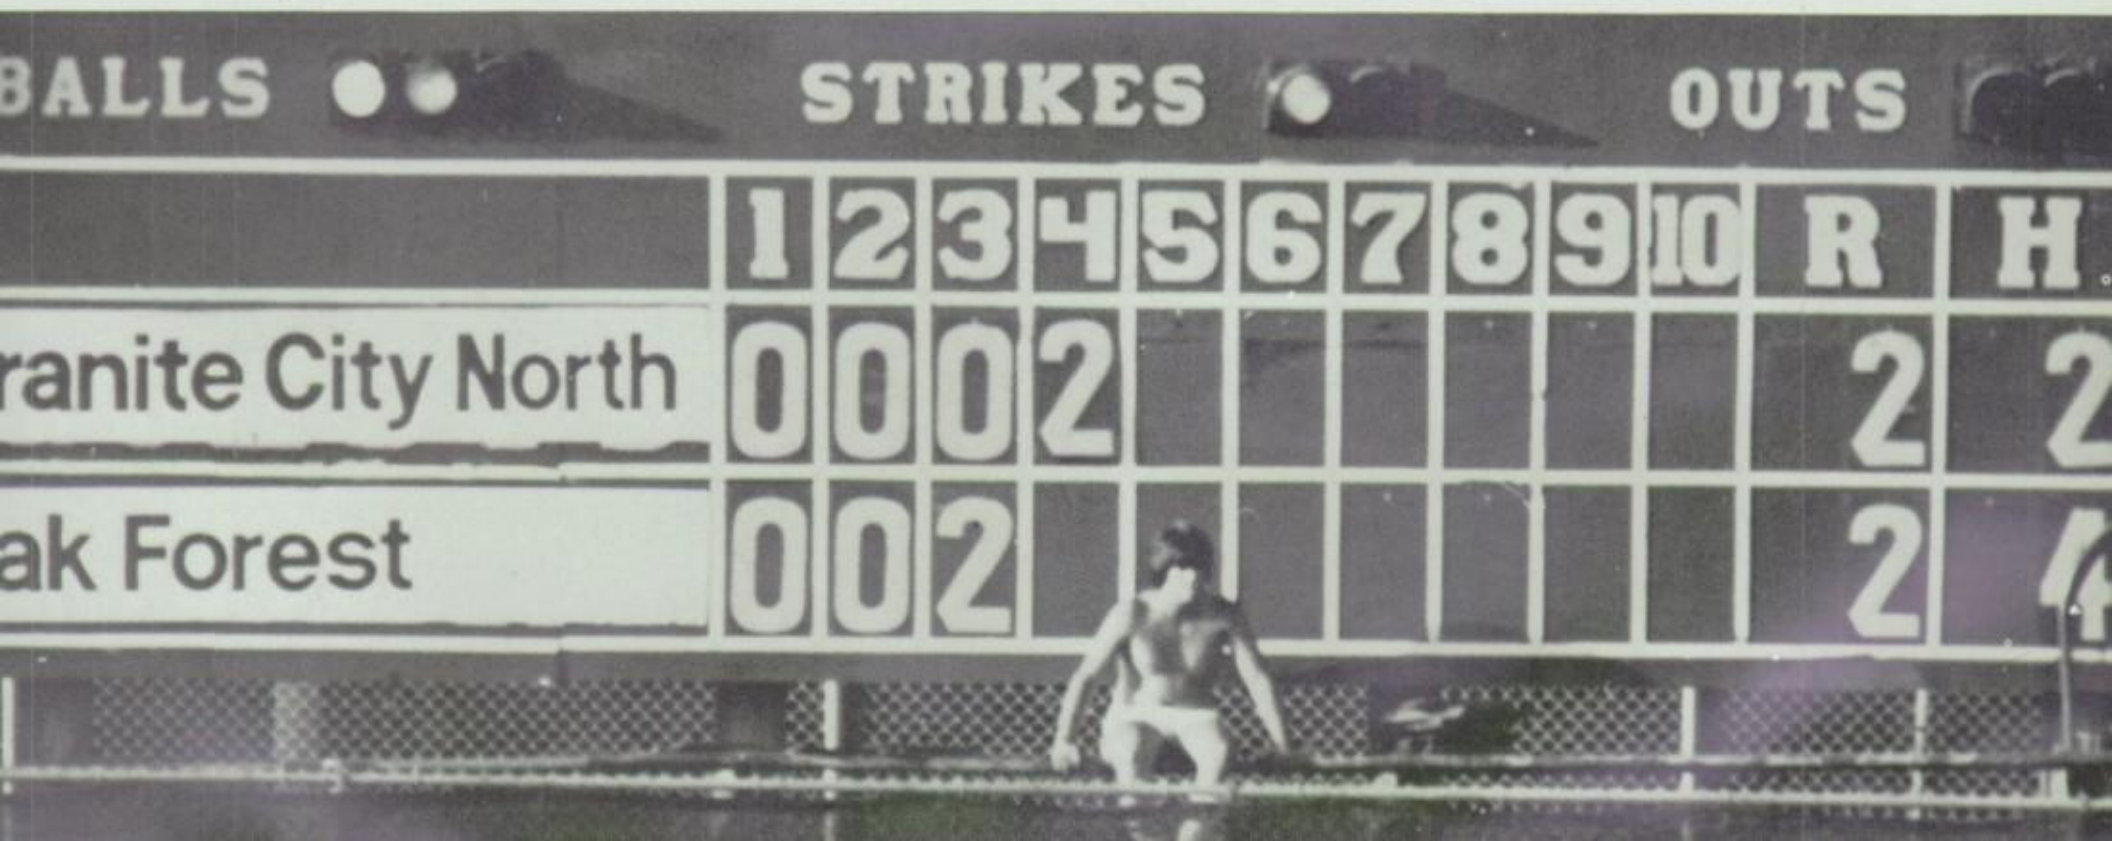


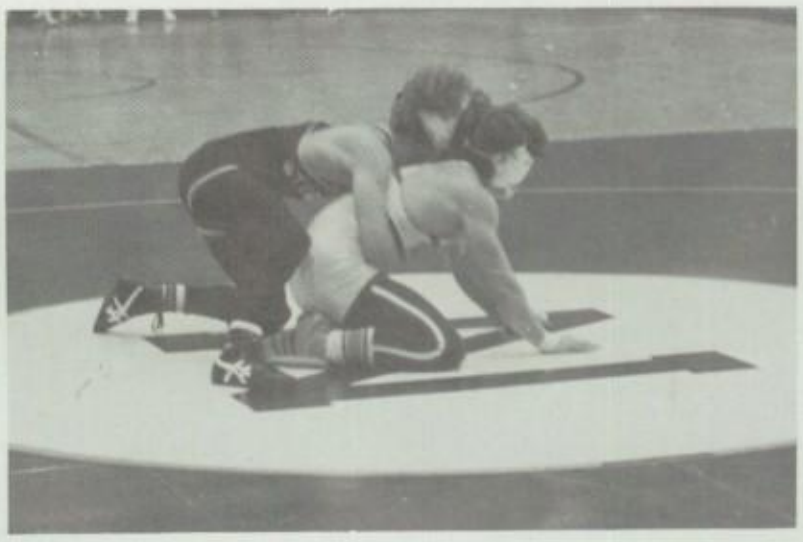
North Steeler Determination

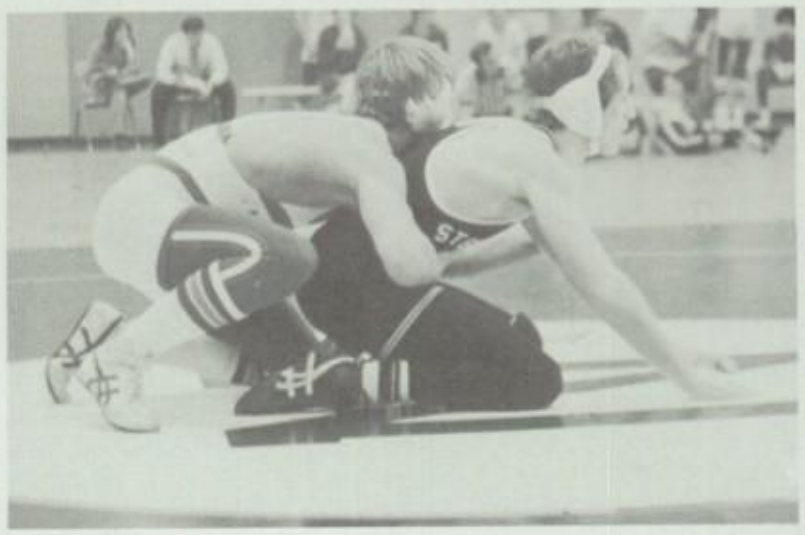
Agonized effort

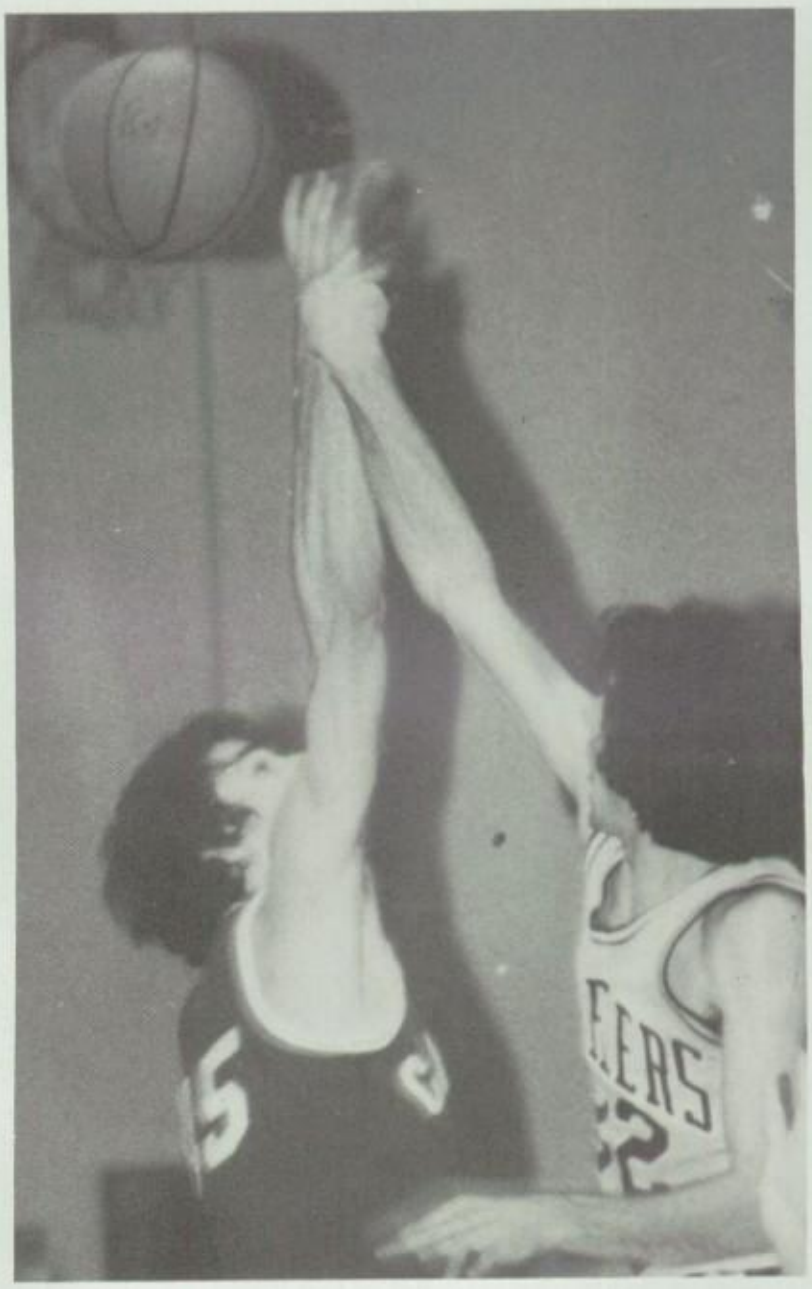
Leads to Accomplishment!!











Steeler Stamina

. . . "Keep Coming back with all you've got, without an alibi,
If Competition trips you up or lands upon your eye,
Until at last above the din you hear this sentence spelled:
'We Might as well let this bird through before we all get killed.'

You'll find the road is long and rough, with soft spots far apart,
Where only those can make the grade who have the Uphill Heart.
And when they stop you with a thud or halt you with a crack,
Let courage call the signals as you keep on coming back.

Keep coming back, and though the world may romp across your spine,
Let every game's end find you still upon the battling line;
For when the One Great Scorer comes to mark against your name,
He writes—not that you won or lost—but how you played the Game."

Girl's Bowling

This year the girl's bowling team participated as a bowling club. This means that they paid all of their expenses through candy sales, bake sales, etc. The girls won districts at St. Clair Bowl in O'Fallen by 186 pins. They advanced to the State Tournament in Peoria, Illinois, where they placed ninth. Although this may not sound impressive, as a club they had not faced competition through much of the year, and some forty teams that had were at state. Last year the team placed sixth. Mr. Ron Dillard is their coach.

STEELERETTE TENNIS

The 1979 Girl's Tennis Team played 16 matches this season for a 4-12 record. There was one returning varsity senior, Lisa McKee, and five returning varsity sophomores and juniors; Kellee Blochberger, Mary Kefalas, Diane Kwiatkowski, Laura Chappell, and Lori Fyalka. Team Captain was Diane Kwiatkowski. Our team was composed mostly of sophomores who demonstrated much character and ability to win. Our conference record was 1 win and 7 losses. The win was scored against Cahokia. In Districts held in Woodriver, our 2 doubles teams (Diane Kwiatkowski and Laura Chappell, Lori Fyalka and Shari Easley) and a singles (Mary Kefalas) lost in second round tournament play, while another singles (Lisa McKee) lost in third round play. The season ended with our sports banquet in November, and the team is eagerly awaiting warm weather and more tennis.

This year, the girl's Field Hockey team contained a lot of talent and spirit. With a lot of hard work they'll have the ability to develop into a championship team for 1980. This year, we started practice late. Because of this I feel that we lost games we could have won. The team was just beginning to excel when the season ended. I was very pleased with the improvement of the team. Next year there will be eight seniors and four juniors. With this kind of experience returning, I am looking forward to the season and a championship team.

Organizations And Activities

"Raindrops on Roses"

Spring Carousel is presented at the end of each school year in honor of the senior girls. The evening begins with the traditional procession of the senior girls. After the procession, the Spring Carousel Court is presented to the audience, with the crowning of the Queen immediately following. For the next couple of hours the entertainment is provided by the students and various organizations of North. The final event of the evening is the traditional Maypole ceremony. Each year twenty-four girls are honored by being selected by the faculty to perform in the Maypole number.

1979 Junior-Senior Prom

Precious and Few

Do dim lights, soft music and dresses, every shade of the rainbow, bring back memories? They should, if you were one of more than 400 people who attended the 1979 prom. The prom was held in the Grand Ballroom of the Marriott Hotel. Those who attended the prom were served an elegant dinner and danced the rest of the evening to the music of Art Leavell and the Starlighters. The prom theme was "Precious and Few" which was selected after being voted on by Student Council. Each person who attended, took home a champagne glass, along with memories they will treasure, forever.

Student Council
1979-1980

Student Council is North's Student Government. Every Class is represented in this organization. The members are elected by their respective Classes and the offices of President and Vice President are elected by the entire student body. The remaining offices are elected within the Student Council. 1979 Officers are as follows: President—Brad Taylor, First Vice-President—Patty Morris, Second Vice-President—Glenn Thompson, Secretary—Kelly Smith, Treasurer—Pam Carnahan and Jeff Macko. Mr. Hamilton has been the dedicated advisor for Student Council. This club is in charge of the Prom, Homecoming, and Spring Carousel. It performs community services such as collecting for Christmas baskets to donate to needy families, and organizing the annual Blood Drive at Granite City North.

Future Homemakers

The purpose of the Future Homemakers of America is to promote the joys and satisfaction of homemaking. Also, FHA tries to strengthen the function of the family as a basic unit of society and to develop interest in home economics, home economics careers, and related occupations. This organization is sponsored by Mrs. Biggerstaff.

Granite City/North Concert Band 1979-198

The Granite High North Band is a multi-faceted, functional organization which takes part in all phases of school life at North during the course of the year. Its members are part of "The Marching Band From Steeler Land" during the fall, giving special halftime performances at football games and participating in parades. They become the Granite High North Concert Band in the winter season and provide a series of four concerts for the student body and community. During the winter months they become two North Pep Bands which perform at pep rallies and home basketball games and give special performances in the community whenever their presence will benefit some worthwhile community activity. The North Band acts as a home base and mother unit to which are attached the well known "Steel City Belles" Pom Pon Squad, and the "North Guard" Flag and Rifle Squads.

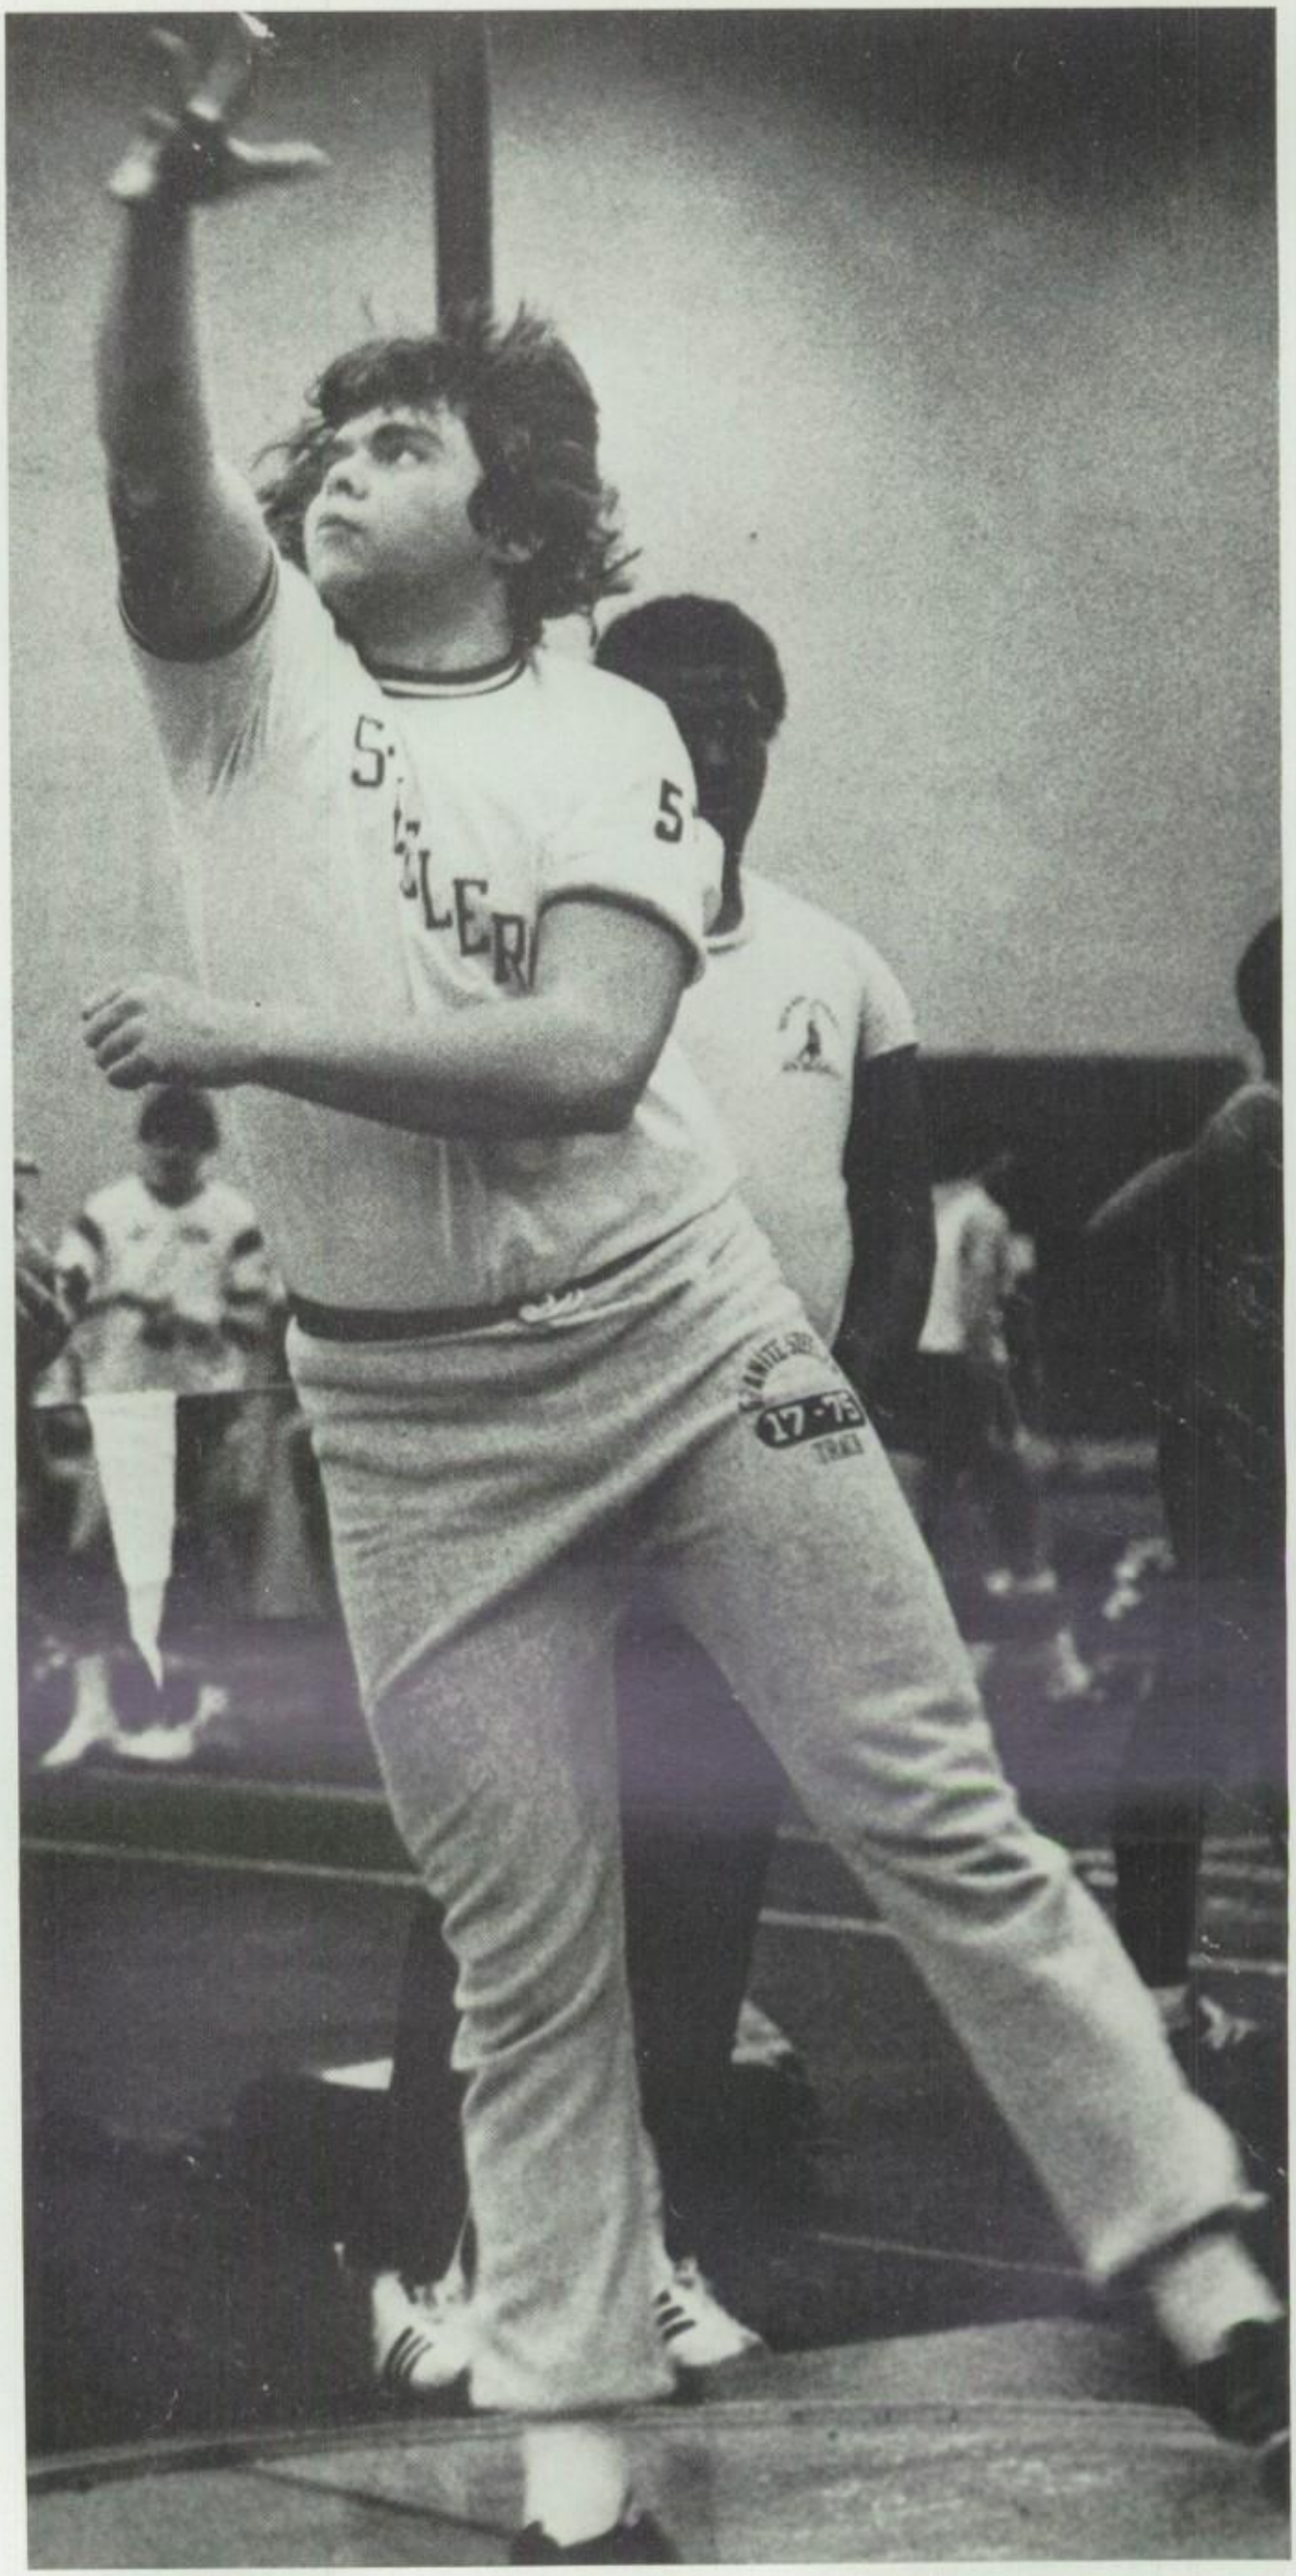
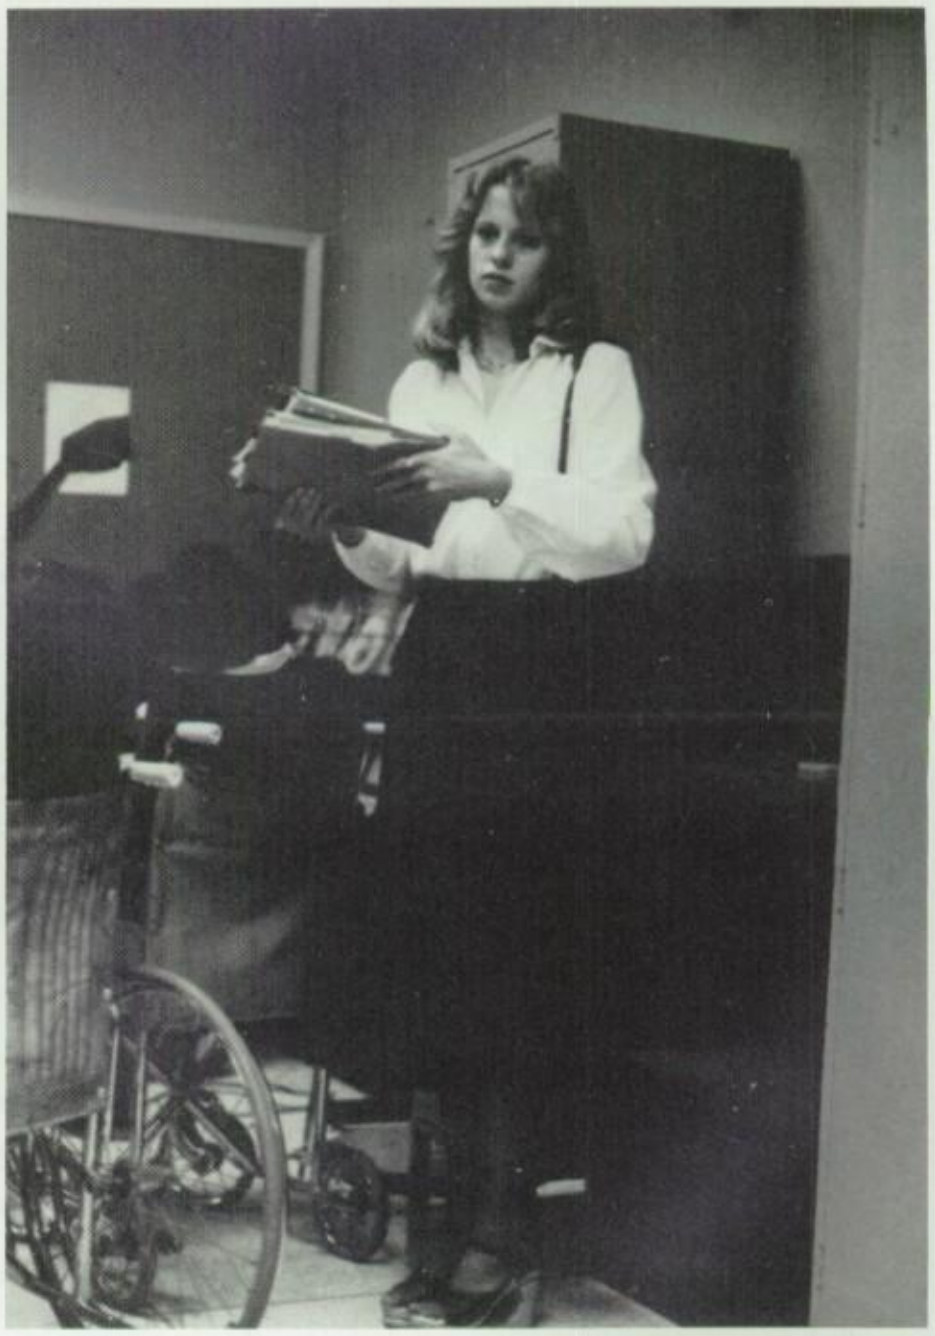
Quill and Scroll is the international society of high school journalists. Members must maintain a minimum 3.5 grade point average, must have performed superior work in some aspect of journalism, and been active on the NORTH STAR newspaper staff and/or INGOT yearbook staff. The sponsor this year is Mrs. Shirley Stroud.

North Drives!

Drive and determination are the hallmark of student activity at North. Nothing is more common in the public mind than the myth of the failure of public education, or of the student who doesn't participate or who doesn't care. People who believe this kind of nonsense, which often sells newspapers or grabs your attention on the tube, simply have not visited North or attended its activities. They have no eyes to see. Here you have the proof! These students obviously ARE motivated. They know you only get out of life what you put into it.





North Achieves!

And it isn't just those who are involved in athletics who are serious or dedicated. Sincereity of purpose can be found in all the vocational and academic pursuits. Plus, there are over 460 curriculum offerings at North, and nearly 70 activities, in which some 500 students are proud to participate,— in many cases before or after the regular classroom hours. We mainstream handicapped students and operate a pre-school for children. We have an extensive off-campus education program. This is North achievement, so let's give our students the recognition they deserve!

"I will long remember my experience as Editor-in-Chief of the Ingot yearbook. There were a lot of people who really worked hard to provide this yearbook for you. I would like to thank Mr. Robert L. Johnson for all of his help and understanding through the year. I hope that you enjoy this book as much as we enjoyed creating it for you."

Alice Childers

CREDITS: Pictures, courtesy of staff photographers, Clarence Chism and John Layer, and many other people here at North, including Jim Hemphill and Miss Michaeloff. Many pictures were also furnished by professional photographers. We are indebted to Mr. Nick Mangoff and Norman Mangoff of Hollywood-Andrews Studio, Sports photographer Pete Hayes of the Granite City PRESS RECORD, and former INGOT Staff photographers Mark McIntyre and Ed Sedej, who have now joined the ranks of the professionals. Kind regards and many thanks to you all!

The INGOT 1980

What is an ingot?

It is:

1. A mass of metal shaped for convenience in storage or transportation.
2. A casting mold for metal. (Middle English, ingot, mass of metal, "Something poured into (the mold)"; in, i n + Old English *gotin,* past participle of geotan, to pour, cast in Metal.)

This is an ingot as defined in the dictionary. To us at Granite City High School/ North, the term, Ingot, has a similar meaning.

Our yearbook is an *Ingot,* in the sense that the raw ore of school activities is taken by the yearbook staff and processed so as to make North's operation intelligible to the reader. Envision, then, a smelting operation, whereby the activities of the administration, faculty, student body, and other personnel, are analyzed, and finally formed into a convenient shape for reference and future storage.

The *Ingot* is a casting of the educational experience at North, fired by the energies of the young men and women who will soon become the mature steel of our society—steel of the finest temper and quality!
